

AT-NET SERVICES, INC achieves ATP - Cisco TelePresence Video Express in USA
Effective Qualification Date: 09 April 2012

Congratulations to AT-NET SERVICES, INC for meeting all ATP program requirements and criteria necessary to earn the designation of Cisco ATP - Cisco TelePresence Video Express Partner in the USA.

AT-NET SERVICES, INC has met the rigorous Cisco certified personnel levels required for a ATP - Cisco TelePresence Video Express Partner. This helps ensure that AT-NET SERVICES, INC sales and support organizations are better prepared to properly sell, design, install, and support the ATP program specific technology and products.

This is an outstanding accomplishment for AT-NET SERVICES, INC and demonstrates your desire to develop expertise in this market. AT-NET SERVICES, INC and the Cisco account management team will continue working together to develop and enhance our mutual capabilities to support AT-NET SERVICES, INC and your customers.

In recognition of this achievement, Cisco will recognize your company as having achieved this ATP designation in the Cisco Partner Locator at <http://www.cisco.com/go/partnerlocator>. Further upon request, Cisco will send a PDF certificate via email to your company. Please review and submit this online form at <http://www.cisco.com/go/partnerkits/tve-new> to ensure your company information is correct and that the PDF certificate is emailed to the correct address.

Please also be sure to visit the Channel Partner Program Welcome Kit at <http://www.cisco.com/go/partnerkits>. This online partner resource contains tools to help you take full advantage of your partner benefits, as well as a full range of partner enablement assets to help you build and promote your business.

This qualification for the ATP - Cisco TelePresence Video Express program is due for renewal on 09 April 2013.

Cisco values the commitment and expertise that AT-NET SERVICES, INC has demonstrated and looks forward to working together.
